IMPORTANT CONDITIONS OF SALE

1—BE CERTAIN THAT YOU BID ON THE LOT YOU WISH TO BUY. USE CARE IN MAKING YOUR BIDS AND BE SURE YOU BID ON A LOT AT SO MUCH PER PIECE OR SO MUCH PER LOT; WHERE SUCH IS STATED. For example, if there are three pieces in a lot, which states bid by the pieces, and you wish to pay $3.00, then bid $1.00 each. If there are, for example, five rolls, in a lot, which states bid by the lot and you wish to pay $10.00 for the lot, then bid $10.00.

2—Bids must reach us by the morning of the sale. Bidders making unlimited bids will get their lots at 5% above the highest bid. In case of two or more equal bids on the same lot, the first bid received gets the lot. Estimates will be gladly furnished, however it is a waste of our time and yours to make low bids that have no chance of success. Help us to help you, and we will see that you get something.

3—All bidders must have an established credit reference with us or send a deposit equal to 25% of their bids. NO BIDS WILL BE ENTERED UNLESS THESE TERMS ARE COMPLIED WITH. Deposits will be applied to successful bids. For those who have an established credit with us, reference or deposit are not necessary, and purchases will be sent out promptly after the sale. WE SHALL APPRECIATE THE RETURN OF THIS FAVOR BY PROMPT REMITTANCE.

4—ACCOUNTS ARE PAYABLE WHEN BILLS ARE RENDERED. NO TIME GIVEN. Terms are cash, stamps will not be accepted for more than $1.00.

5—NO COMMISSION CHARGED FOR EXECUTING YOUR BIDS, however, due to the weight of some roll lots and because of the no commission or handling charges, POSTAGE AND INSURANCE will be added to your invoice.

6—Every coin in this sale is guaranteed as described. Claims for errors of description must be made within THREE DAYS FROM DATE OF RECEIPT. LOTS CANNOT BE BROKEN. Remember, postal delivery is now very slow—please allow a maximum of three weeks before notifying us of non-delivery of coins. If you are not interested in these sales, won't you please advise us so we may discontinue sending you catalogs.

7—LIST OF PRICES REALIZED AT THIS SALE WILL BE AVAILABLE FOR 50c—a good investment, giving a guide to current values, in the rarity as well as the roll line.

In presenting this, my second auction sale, may I take this opportunity to thank all those collectors who bid on my first sale. You will, I know, agree after studying this catalog that it far surpasses the first, not only by the quality of material offered but by the amount and type of coins offered. We feel sure that no matter what your wants or your type of collecting, you will find something of interest to you in this sale.

The mailing list of this sale, has been increased over 100%, if you are not interested in any coin purchase at present, why not send for a price list of this sale. Because of the near completeness of its series it will serve as a sure barometer of current coin prices.

The majority of material offered at this sale is from the collection of my good friend, David E. Day, who is forced to release these coins because of recent illness. These coins mounted in plastic holders have been shown throughout the country and are acclaimed to be one of the finest in the country. Incidentally David E. Day is the inventor of the plastic coin holders, and hopes in the future to devote all his time to the production of this item.

FANTASTIC. The prices some coins are bringing today. True but remember the tremendous growth coin collecting has undergone in the last few years. The truth of the matter is that choice material is not of sufficient quantity to go around. Mark our prediction, prices that seem fantastic today will appear cheap within the next year or two. We ask you only to compare sales and catalogs for the last few years.

BRILLIANT UNCIRCULATED GEM BUFFALO NICKELS

We believe this set is the most difficult to complete in gem condition. Should you not think so, check all auction catalogs issued in the last few years, and we feel assured that it will erase any doubt you may have. The series have been rapidly increasing in price, and is now bringing prices far exceeding those listed by catalog. It is our prediction that a brilliant future will accompany this series, and the prices which appear high now will undoubtedly be low in the near future.

BRILLIANT UNCIRCULATED WASHINGTON QUARTERS

We have these in roll quantities. If you desire more than one piece of a date, please specify on your bid sheet the amount of pcs. wanted, and state your bid for the lot wanted. BY THE PIECE.

All our Washington quarters are strictly brill. unc., having been put away at the date of issue and wrapped in anti-tarnish tissue. This quarter has proved, like the Standing Liberty Quarter, that it is not standing up in circulation. We predict that in a very short time these coins will equal, if not surpass, the Standing Liberty Quarter.
